

FlashPoints

INTERNET SERVICES

FlashPoints Internet Services, a division of FlashPoints Performance Group, Inc. is located in the northwest quadrant of Hennepin County in Minnesota. We register domain names, design, build and manage client web site. FlashPoints specializes in small to mid sized business information and content sites as well as e-commerce sites. We are dedicated to making our clients sites; professional, easy to use, and friendly. We build, manage, and promote only family friendly internet sites.

We ask that if you enjoy our concept, you tell others and visit the links at the bottom of this web site. If you have any questions or comments please call us at 763-498-8628 or e-mail us at: webmaster@FlashPoints.US
